Dear Students:

Today I had the honor of presenting Lewis Palmer Middle School's Veterans Oral History videos to Dr. James Hadley Billington, the Librarian of Congress. These videos will be part of the Library of Congress's Veterans History Project and will be archived in the American Folklife Center of the Library of Congress for use by researchers and serve as an inspiration for generations to come.

Teacher Dan Marcus, and students of Lewis Palmer Middle School are to be commended on their efforts to preserve the oral histories of Colorado veterans. Your veterans oral history projects will rest in a place of honor in the United States Library of Congress.

Thank you for all that you do to ensure that the legacy of veterans will not be forgotten.

Sincerely,

M

Ed Perlmutter
Member of Congress
